DESIGN

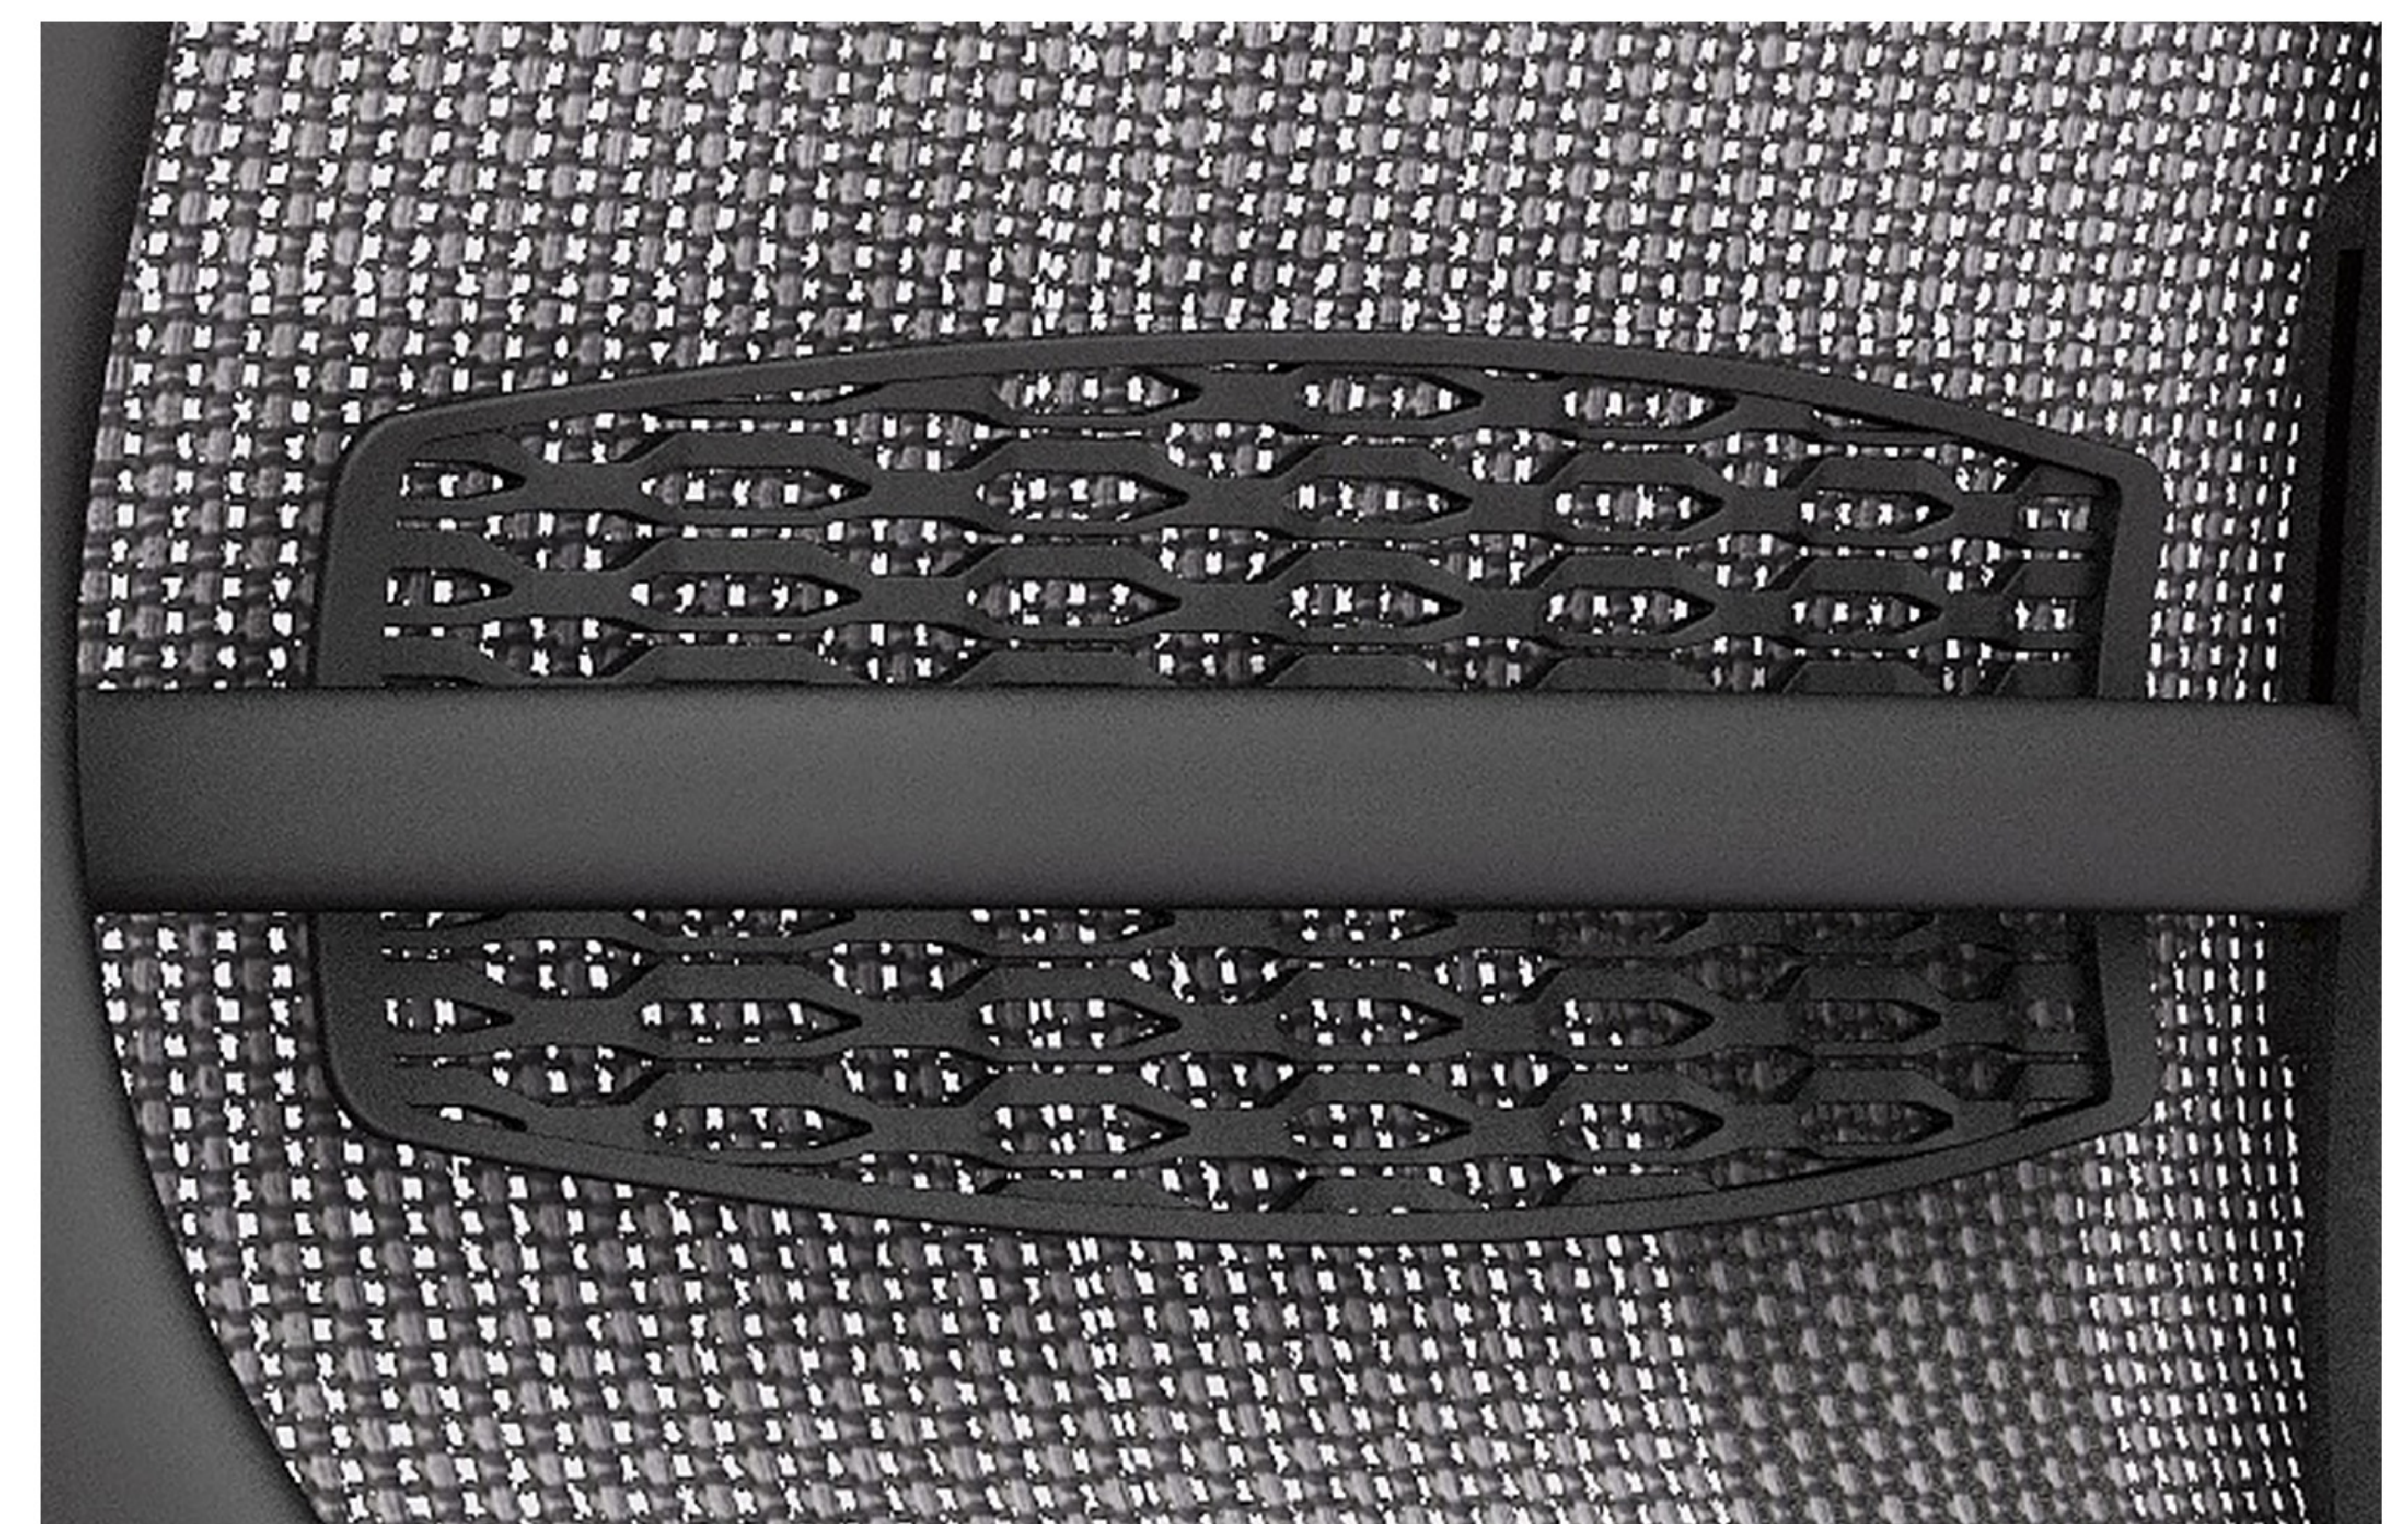

DESIGN CONCEPT

The design inspiration of Elegant chair lumbar support comes from the front net design of the BMW Mini Cooper R58, adhering to its delicacy and classic, highlighting the quality of the Elegant office chair.

One chair, one story

Adopting the hollow grid design, continuing the classic, forging a brand story with the flexible geometric beauty

Synchronous tilting Mechanism

Elastic back design,
stretch out as much as you like

Elegant chair combines intuitive,
sensitive functionality with a simple,
refined aesthetic to complete any work environment.

Weightless beauty.
Effortless support.

Elegant chair has surrounding lines and unique interiors. It can be extensively customized with colorful and even vibrant fabrics, and can be easily integrated into existing furniture or create a unique and elegant working environment.

Elegant Executive armchair, with a mid-back swivel base and casters, is a piece of furniture designed for corporate meeting Spaces that combines elegance, modernity and ergonomics.

It combines rigorous scientific methods with the principles of supporting the human body, and at the same time integrates the perfect interpretation of the simple and neat outline by the design.

This is a simple and agile office chair.

Rich color options. Whether it is a composed business style or a light-color creative office space, it can easily blend into all kinds of office scenes and perfectly match furniture such as office desks and filing cabinets.
